

Product Facts & Features

DAILY MOISTURIZING HAND & BODY LOTION

DESCRIPTION:

A superb daily moisturizing lotion formulated with ingredients that protect and reduce moisture loss. Quickly absorbed and never greasy. A superior lotion that speeds healing of cracked, peeling and sensitive skin.

KEY INGREDIENTS:

- Alpha Hydroxy Acids - natural fruit, milk and sugar acids that increase cell turnover as well as smooth and even skin tone.
- Silk Amino Acids - bonds with protein in the skin to increase moisture. Readily absorbed into the skin.
- Panax Ginseng - strengthens skin surface to make the skin more resilient while balancing natural oils.

BENEFITS:

- Heals cracked, dry, peeling and sensitive skin
- Helps those suffering from eczema and psoriasis
- Never feels greasy
- Soothes and nourishes
- Absorbs quickly and forms a protective shield to reduce moisture loss even with frequent hand washing
- Available in both Cucumber and Mandarin Fig scents in all sizes

APPLICATION:

Apply daily over entire body to condition and hydrate skin. Works well on problem areas such as elbows and feet.

RECOMMENDATIONS:

All skin types

- Women: Wonderfully luxurious daily moisturizer to keep skin smooth and silky
- Men: Great lotion to keep skin touchably soft. Helps heal dry, cracked hands
- Teens: Ideal as an everyday skin soothing moisturizer
