

Product Facts & Features

DEEP PORE FRESHENER

DESCRIPTION:

This alcohol-free freshener bathes the skin in soothing botanicals and completes the cleansing process. Refines pores, helps protect skin from bacteria, and restores natural pH balance.

KEY INGREDIENTS:

- **Witch Hazel** - improves skin tone, restores circulation and helps fight infection.
- **Pine Bark Extract** - potent antioxidant that accelerates the effectiveness of vitamins A, C & E.
- **Balm Mint Extract** - calms and soothes skin and contains antibacterial properties.

BENEFITS:

- Removes dead surface cells and refines pores as it stimulates circulation
- Protects the skin from blemish-causing bacteria by restoring normal pH balance
- Prepares the skin to receive special treatment products and moisturizers
- Contains botanicals that are not only astringent, but also softening and smoothing
- Deep cleanses pores to help lessen the frequency of acne flare-ups
- Helps balance out combination and oily skin
- Alcohol free, will not dry out skin

APPLICATION:

Use twice daily. After cleansing and exfoliating, moisten a cotton pad and smoothly apply over face and throat with light, upward strokes. Follow with special treatment and repair products, then moisturizer.

RECOMMENDATIONS:

Normal to dry skin

- **Women:** Protects skin and prepares it for repair products and moisturizer
- **Men:** Refines pores and restores pH balance
- **Teens:** Antibacterial and antimicrobial properties ideal for problem skin

COMPLETE INGREDIENT LIST:
