

Product Facts & Features

ROLL-ON DEODORANT

DESCRIPTION:

A safe, effective, non-irritating deodorant free of aluminum and parabens with a refreshingly clean scent. If you are trying to avoid the aluminum-based ingredients and parabens found in commercial antiperspirants, L'BRI Deodorant is the natural choice!

KEYNOTE INGREDIENTS:

- **Sodium Bicarbonate** - controls odor and keeps skin dry naturally.
- **Oryza Sativa (Rice) Bran Extract** - soothes and moisturizes skin.
- **Zinc Ricinoleate** – the zinc salt of ricinoleic acid, a major fatty acid obtained from the Castor plant. Odor absorbing agent.

BENEFITS:

- Controls odor naturally without harsh chemicals
- Contains no aluminum
- Paraben free
- Alcohol free. Will not dry out skin

APPLICATION:

Apply to dry underarms daily after showering or bathing. Do not apply after shaving or on broken or irritated skin.

RECOMMENDATIONS:

- Women: Controls odor naturally with a light scent
- Men: Strong odor control without irritating skin
- Teens: Natural odor control. Will not dry out skin or clog pores

COMPLETE INGREDIENT LIST:

Aloe Vera Barbadosensis Leaf Extract (Stabilized Gel), Sodium Bicarbonate, Ethyl Lauroyl Arginate HCL, Oryza Sativa (Rice) Extract, Calendula Officinalis (Marigold) Flower extract, Rosa Centifolia (Cabbage Rose), Hamamelis Virginiana (Witch Hazel) Extract, Zinc Ricinoleate, Bentonite, Citrus Aurantium Dulcis (Orange) Oil, Salvia Officinalis (Sage) Oil, Rosa Centifolia (Rose) Oil, Cymbopogon Schoenanthus (Lemongrass) Oil, Melia Azadirachta (Neem) Seed Oil, Water, Sodium Phytate, Phenoxyethanol, Ethylhexylglycerin, Citric Acid.

*A deodorant is not an antiperspirant. Deodorant will address odor, but wetness may be experienced. Our natural deodorant without aluminum permits body's sweat glands to remove toxins. Avoid risks that may be associated with the use of an aluminum-based antiperspirant.
