

Product Facts & Features

GENTLE FRESHENER

DESCRIPTION:

An alcohol-free freshener that bathes the skin in soothing aloe vera and natural botanicals. The final step in your cleansing regimen that also refines pores and improves circulation without stripping away needed moisture.

KEY INGREDIENTS:

- **Passion Flower** - contains vitamins, minerals and amino acids that moisturize, refresh and have a quieting and soothing effect on the skin.
- **Green Tea Leaf Extract** - potent antioxidant, anti-inflammatory and anti-irritant.
- **Juniper Berry Extract** - antibacterial, antiseptic, astringent and detoxifying properties that balance oily skin and unclog pores.

BENEFITS:

- Refines pores and improves circulation without stripping away needed moisture.
- Contains vitamins that restore dry, damaged skin.
- Bathes the skin in a powerful blend of soothing botanicals.
- Provides the final cleansing rinse for combination, dry and sensitive skin.
- Restores pH balance to the skin, protecting the skin from dryness and bacteria.
- Safe to use around the delicate eye area.

APPLICATION:

Use twice daily. After cleansing or exfoliating, moisten a cotton pad and smooth over face and throat with light, upward strokes. Follow with treatment products as recommended and moisturizer.

RECOMMENDATIONS:

Normal, combination and dry skin

- Men, Women and Teens: Refreshes the skin, restores pH balance to the skin. Allows skin to more readily absorb additional products. Ideal for normal skin to restore balance and keep skin clear and fresh.

COMPLETE INGREDIENT LIST:
