

Product Facts & Features

Hydrating Antioxidant Face Mist

DESCRIPTION:

Now the skin has its own bodyguard to protect, replenish, firm, restore and fight the damaging effects of free radicals that take a daily toll on the health and beauty of your skin. Hydrating Antioxidant Face Mist is a soothing spray that will increase the moisture level of your skin while repairing damaged skin cells. Recommended for normal to dry skin types.

KEY INGREDIENTS:

- **Palmitoyl-Tripeptide-1** - powerful amino-peptide that improves skin's firmness.
- **Palmitoyl-Tetrapeptide-7** – amino acid compound that has been found to stimulate regeneration of collagen fibers and increase the amount of hyaluronic acid in the skin, helping tighten skin by attracting moisture to the skin.
- **Soluble Collagen**- powerful, anti-aging protein with hydrating abilities.

BENEFITS:

- Deeply hydrates skin and provides long lasting protection
- Increases smoothness, softness and elasticity
- Decreases the appearance of fine lines and wrinkles
- Protects against daily stress and pollutants
- Refreshes and revitalizes tired make-up throughout the day
- Excellent for dry, itchy scalp and skin associated with skin conditions

DIRECTIONS:

Spray Hydrating Antioxidant Face Mist over entire face and neck after applying moisturizer. Gently work into the skin with fingertips. Use on face and body any time of the day to refresh, revitalize and de-stress the skin.

RECOMMENDATIONS:

Normal to dry skin types

- Women: Perfect for extra hydration, firming and reducing fine lines and wrinkles. Spritz on throughout the day to refresh your makeup.
- Men: Spritz on after showering for all day moisture
- Teens: Ideal to use during the day whenever skin feels dry
- Infants and Toddlers: Spritz on dry scalp for relief of itching associated with cradle cap.
