### INTENSE MOISTURE BOOST Hyaluronic Acid Serum

#### **DESCRIPTION:**

An exclusive blend of aloe vera, hyaluronic acids and glycerin to replenish and increase your skins moisture. Boosting moisture in the skin will enhance the skin's softness and smooth the appearance of fine lines and wrinkles. Along with enhancing the skin's moisture this unique blend of hyaluronic acids has been designed for specific anti-aging benefits, including boosting collagen and elasticity. Excellent for both mature and young skin and recommended for all skin types.

#### **KEY INGREDIENTS:**

- Sodium Hyaluronate-The sodium salt of hyaluronic acid. Provides long term antiwrinkle effect, short and long-term hydration, and improves elasticity.
- Hyaluronic Acid – A glycosaminoglycan component that occurs naturally in the dermis. Hydrates cells, binds water to the skin while regenerating and repairing skin suppleness and elasticity. Holds 1000 times its weight in water.
- Glycerin – Balances water levels in the skin to enhance moisture.

#### **BENEFITS:**

- Turbo moisture and elasticity booster
- Nourishes and rehydrates all types of skin at any age
- Helps the skin attract and retain moisture
- Decreases the depth of wrinkles and fine lines by adding volume to thin or dry areas of the skin
- Will not clog pores
- Visibly calms redness and skin inflammation
- Light non-greasy texture that leaves skin feeling soft, supple and visually improved.

#### **APPLICATION:**

Recommend applying once or twice daily as needed directly to the skin after moisturizer for maximum effect. Can also be used as a target treatment to boost areas of the face and neck that are more wrinkled and dehydrated, including lips and neck. Massage lightly into the skin until absorbed. For even greater hydration and wrinkle smoothing benefits use Hydrating Antioxidant Face Mist over entire face and neck areas.

#### **RECOMMENDATIONS:**

All skin types

- Men, women and teens: Light enough to use every day. Especially beneficial when skin is dehydrated.
