

Product Facts & Features

INTENSE MOISTURE CRÈME

DESCRIPTION:

Intense Moisture Crème is a super antioxidant complex treatment especially beneficial for extra dry and dehydrated skin. This special formula “drenches” the skin with moisture, vitamins and natural botanicals. Leaves skin looking and feeling smooth, supple and restored.

KEY INGREDIENTS:

- Sea Algae (*Hypnea Musciformis*) - nourishes, softens and helps skin retain moisture.
- Green Tea Leaf Extract - anti-inflammatory properties that reduce puffiness, wrinkles, fine lines and enlarged pores.
- Hyaluronic Acid - plays a vital role in cell hydration and is able to attract and bind water in the skin.

BENEFITS:

- Helps protect, soothe and rejuvenate skin
- Nourishes and rehydrates all types of dehydrated skin
- Helps the skin attract and retain moisture
- Heals and nurtures skin
- Will not clog pores
- Light texture with a clean scent that leaves skin feeling refreshed

APPLICATION:

Smooth onto face and throat with lightly moistened fingertips in upward and outward strokes. Apply after cleanser, freshener and treatment products as recommended. For additional hydration for those with dry skin, spritz on Hydrating Antioxidant Face Mist and massage into skin until absorbed.

RECOMMENDATIONS:

All skin types

- Men, Women and Teens: Light enough to use every day. Especially beneficial when skin is dehydrated. Use on chapped or rough skin after exposure to harsh weather. Beneficial for skin conditions such as eczema and psoriasis to nurture and restore the skin.
