

Product Facts & Features

KLEARAWAY

DESCRIPTION:

This on-the-spot acne treatment works invisibly on blemishes. Formulated with aloe, tea tree oil, fruit extracts and the hardworking pimple fighter, salicylic acid. Will not dry out or irritate the skin. Works beneath the outer layer of the skin to heal blemishes and prevent future breakouts.

KEY INGREDIENTS:

- **Salicylic Acid** - antibacterial, anti-inflammatory and antimicrobial; helps heal and prevent acne.
- **Tea Tree Oil**-derived from the leaves of the tea tree. Has antimicrobial properties that help reduce bacteria and fungus as well as allergic skin reactions.
- **Willow Bark Extract** - natural source of salicylic acid, an anti-inflammatory; cleanses and exfoliates.

BENEFITS:

- Reduces inflammation and speeds healing of blemishes
- Allows skin to heal
- Helps prevent new pimples and blemishes from forming
- Contains 2% Salicylic Acid, one of the most effective ingredients to combat the cause of facial oil, acne and blemishes
- Breaks down whiteheads and blackheads within pores to speed healing and cell turnover
- Will not irritate or dry the skin

APPLICATION:

Blemish and acne-prone skin

- Men, Women and Teens: Cleanse skin thoroughly before applying. Shake tube before dispensing. Dispense product onto a cotton ball or fingers and apply to blemishes or entire face twice daily. Do not apply moisturizer over KlearAway to avoid diluting effectiveness.

COMPLETE INGREDIENT LIST: (in alpha order)
