

Product Facts & Features

NATURAL BROAD-SPECTRUM SUNSCREEN SPF 30

Our light, non-greasy broad-spectrum lotion protects against harmful UVA and UVB rays while fighting free radicals. Combines aloe with zinc oxide, soothing botanicals and moisturizing, antioxidant-rich fruit oils to replenish moisture and protect without leaving a chalky appearance. Safe for you and the oceans too!

KEY INGREDIENTS:

- Zinc Oxide 19%-non-nano and blocks UVA and UVB rays
- Chamomile-anti-inflammatory and soothing to the skin with the ability to neutralize skin irritants
- Orange, Lemon and Tangerine oils –antioxidants that help to fight free radicals

BENEFITS:

- Blocks the harmful UVA and UVB rays of the sun to prevent sunburn
- Nourishes and moisturizes the skin while protecting against sun damage
- Will not clog pores
- Light texture with a clean scent
- Contains citrus oils that allow penetration into the skin without leaving the skin looking chalky
- Safe for both your skin and the environment

APPLICATION:

- **Shake tube before opening.**
- Apply liberally 15 minutes before sun exposure
- Reapply at least every two hours or immediately after swimming, sweating or towel-drying

Sun Protection Measures:

- Sun exposure can increase your risk of skin cancer and early signs of aging
- Regular use of broad-spectrum sunscreen may decrease your risk
- Limit time in the sun, especially between 10 a.m. and 2 p.m.
- Wear long sleeved shirts, pants, hats and sunglasses
- For children under 6 months, consult a physician before applying

Cautions:

- For external use only
- Do not use on damaged or broken skin
- Keep out of eyes. Rinse with water if product gets in your eyes
- Stop using and consult a physician if rash or irritation develops
- Keep out of reach of children
- If product is swallowed seek medical attention or contact your poison control center
- Protect this product from excessive heat and direct sunlight. Shake thoroughly before reopening
