### NATURAL RADIANCE BODY SCRUB

#### **DESCRIPTION:**

This energizing scrub with sea salt, coconut, jojoba and argan oils will hydrate and leave you with incredibly soft, glowing skin. Refresh and invigorate your skin by exfoliating dead skin cells. Body Scrub is a gentle, moisturizing scrub formulated with sea salt, the finest oils, herbs and botanicals. A natural and stimulating exfoliant that leaves skin feeling silky smooth and moisturized.

#### **KEY INGREDIENTS:**

- **Coconut Oil** – Naturally antibacterial. Promotes healthy skin by increasing hydration and reducing water loss in seriously dry skin.
- **Jojoba Oil** – Sourced from the seed of the jojoba plant. Antioxidant with vitamins A and E. Moisturizes skin, keeping skins own oil levels balanced.
- **Argan Oil** - Sourced from the nuts of the argan tree. Rich in tocopherol, phenolic acid (polyphenols), carotenes and essential fatty acids. Emollient and skin conditioning. Protects and moisturizes the skin.

#### **BENEFITS:**

- Spa-like experience, exfoliates leaving tired, dry skin feeling cleaner, softer and firmer
- Hydrate and cleanse your pores of dirt and bacteria that can build up over time
- Encourages cell renewal and paves the way for fresh new cells to generate
- Massages your skin leaving skin healthy and younger-looking.
- Keeps skin smooth while protecting against cracking. Prevents premature aging and wrinkling of the skin.

#### **APPLICATION:**

Cleanse skin with L'BRI Body Wash then massage onto wet skin using a washcloth or sponge. Massage until desired exfoliation is achieved. Rinse with lukewarm water and pat dry.\*

\*Please note: Due to the natural oils found in the Natural Radiance Body Scrub, use caution in the shower as floor may become slippery.
