

## Product Facts & Features

### NECK FIRMING CREAM

#### DESCRIPTION:

Developed exclusively for the fragile neck and chest area, this advanced cream works to restore youthful tone and definition. Creped skin on the neck and chest is smoothed from the inside, plumping and lifting slack, lined skin.

#### KEY INGREDIENTS:

- **Dipalmitoyl Hydroxyproline** - DPHP is an overall anti-aging ingredient known for wrinkle correction, moisturizing ability and its triple firming action
- **Jjoba Seed Oil** - moisturizer similar to oils the body produces naturally; excellent for the neck area which contains few oil glands
- **Plant Stem Cells (Cistus Incanus Flower/Stem Extract)** - stimulates regeneration and repair to improve skin structure and elasticity

#### BENEFITS:

- Repairs and revitalizes skin tissue, making skin look softer, smoother and healthier
- Helps to preserve healthy skin cells resulting in skin that looks and behaves years younger
- Stimulates collagen production resulting in firmer skin tone
- Contains a powerhouse of ingredients, including plant stem cells
- Increases collagen fiber production to prevent wrinkles

#### APPLICATION:

Apply on clean, dry décolletage and neck area in an upward and outward motion. For additional firming, apply Maxifirm to neck and décolletage area followed by neck cream.

#### RECOMMENDATIONS:

All skin types

- Women and Men: Great to lift and firm creped skin of the neck.
