

## Product Facts and Features

### REJUVENATING FACIAL PEEL

#### DESCRIPTION:

This unique exfoliator made with natural fruit enzymes works to dissolve dead skin cells without acids. Helps to dramatically improve skin tone, clarity and texture for a healthy, vibrant complexion. Excellent for all skin types, including those with rosacea, sensitivity or acne-prone skin.

#### KEY INGREDIENTS:

- Papaya Extract (Papain) - dissolves pore-blocking debris to help clean and refine skin.
- Pineapple Extract - contains the enzyme bromelain which aids in exfoliation.
- Grapefruit Extract - rich in natural ingredients that nourish and protect the skin, including vitamins A, C, E and antioxidants.

#### BENEFITS:

- Powerful enzymes work to clean and clear the skin
- Deep moisturizers penetrate to revive and refresh
- Easy at home facial peel helps to lift off and dissolve unwanted dead cells
- Helps speed the activation of cell renewal
- Allows other treatment products to penetrate more effectively by removing dead cell buildup.

#### APPLICATION:

Using dry fingertips, apply a thin layer of the facial peel to clean, dry skin over the entire face (avoid eyes). Ideally, skin should be cleansed and moisturized in the evening and peel applied in the morning before cleansing. Allow peel to set for up to one minute. With dry fingers, rub gently in a circular motion until small 'beads' of skin form. Once beading has stopped, rinse face with warm water, pat dry and follow with freshener, treatment products as recommended and moisturizer.

\*Store in cool, dry place. Not recommended for use in the shower.

#### RECOMMENDATIONS:

All skin types

- Men, Women and Teens: Gentle, enzyme-based exfoliator that dissolves dead skin cells without acid, leaving skin soft and smooth. Excellent exfoliator for more than just the face. Try it on elbows, feet, knees and back of hands.
